

Public broadcasting ceases to be public broadcasting when controlled by self-serving corporations, the intentions of which are to control the thoughts of the public rather than to express or inform them.

Please require Sinclair Broadcast Group, Inc. (Corporate Headquarters - Hunt Valley, MD 410-568-1504 ) to either pull, or provide a balanced counterpoint to, the Kerry slam they've planned for next week.

If the destruction of democracy continues at this rate it won't just be American jobs headed overseas, it'll be the best of our citizens as well. Please help.
